Address , H.NO.571, Bhooton Wali Gali, Nangloi, New Delhi , 110041

SUMMARY

I am an aspiring web developer with a strong passion for creating user-friendly and responsive websites. With practical experience from internships and comprehensive coursework, I am eager to apply my technical skills in HTML, CSS, and JavaScript to innovative projects. I thrive in collaborative environments and am committed to continuous learning and professional growth

Skills

BASIC COMPUTER SKILLS

- Microsoft Excel, Microsoft PowerPoint, Microsoft Word, MySQL

WEB – DEVELOPMENT SKILLS

- HTML , CSS , JavaScript , Adobe Lightroom (in phone) , Git , GitHub , – React, Tailwind CSS , Adobe Lightroom, MySQL, SASS (The part of short css)

ACCOUNTING SKILLS

- TALLY , BUSY ACCOUNTING SOFTWARE , ADVANCE EXCEL

EXPERIENCE

I am an experienced educator and developer, currently working as an **Accounts and Web Development teacher**. I specialize in teaching core accounting concepts, including bookkeeping and GST-related processes, and have hands-on experience with accounting software like **Busy**. Alongside this, I teach **front-end web development**, guiding students in technologies such as **HTML, CSS, JavaScript, Bootstrap, React, and Tailwind CSS**. I am also proficient in **MS Office tools** like Word, Excel, and PowerPoint, which I use for creating professional reports and presentations.

CURRENTLY WORKING – IICS (INDIAN INSTITUTE OF COMPUTER SCIENCE)

AS TEACHER/FACULTY **(**09/2023)

Key Responsibilities & Skills:

- Teaching Accounts with a focus on Bookkeeping, GST Filing, and Practical Accounting Skills.
- Proficient in using Busy Accounting Software for real-world simulations.
- Teaching Front-End Web Development, including HTML, CSS, JavaScript, Bootstrap, React, and Tailwind CSS.
- Guiding students on Version Control using GitHub and project-based learning.
- Designing lesson plans and assignments that blend both theoretical and practical skills.
- Creating professional documents, data sheets, and presentations using MS Word, Excel, and PowerPoint.
- Supporting students with doubts and real-time problem-solving methods.

Web Developer Intern

CodSoft & ZIDIO Web Solutions

03/2024 , 06/2024 **(Remote)**

A web development company focused on providing modern web solutions

- Gained hands-on experience in front-end development during an internship at CodSoft
- Worked on real-world projects, enhancing technical skills and problem-solving abilities
- Utilized HTML, CSS, and JavaScript in daily tasks

Account assistant (A.K ENTERPRISES) (2021-2023)

- Maintained day-to-day bookkeeping records including **purchases, sales, receipts, and payments**.
- Assisted in preparing and posting journal entries for daily transactions in **Tally Prime / Busy software.**
- Managed **cash book, bank book, and ledgers** ensuring accuracy and timely updates.
- Helped in **preparing GST reports, TDS deductions, and filing-related documents** under supervision.
- Maintained **vendor and customer accounts**, handled outstanding reports, and followed up for payments.
- recorded **invoices, vouchers, and expense entries** for audit purposes
- Ensured proper **data entry and accuracy** in accounting software with attention to detail.
